Great Food Right On Your Doorstep At The White Horse

What a tremendous response we've had to chef Danny Tompkins during January. It's been so good that Danny is staying permanently and extending his sittings to include Friday and Saturday lunch times too. And to create an environment fitting for such delicious food, we are refurbishing the dining room further over the next few weeks.

Now there's no need to drive to enjoy top class food, because there's plenty going on right here in Welton - get these dates in your diaries:

1st February – Nui returns with her popular Thai menu every Wednesday and Thursday

3rd February – Danny's first sittings of the month, lunch and dinner, then each Friday, Saturday and Sunday lunch time

To book a table please call 07791 145237 or email hello@dannytompkinschef.com

14th February – for the romantics out there, look out for our Valentine's Day menu to be published soon

21st February – Welton Good Neighbour Scheme - Lunch and Dessert just £8 a head – all welcome, transport can be arranged

Call 07938 237070 Monday - Friday between 9-12 or leave a message on the answer machine

19th March – treat your mum to our Mother's Day special

15th July – it's back! The famous Welton Soapbox Derby returns this summer and The White Horse will be at the centre of the action

PLUS keep an eye out for the dates of our summer music events.

Thanks to everyone who has visited us so far, and we look forward to welcoming our regulars and new guests over the coming weeks.

Jenny, Carl, Debbie, Elton, and the White Horse Team

P.S. four legged friends and small people are welcome too
